I was sitting on the fence staring out to the forest as if I belong there.I heard a soft voice so I looked over to see who it was and I saw Rusty.

"Hey Mako,"said Rusty as he was smiling at me and I couldn't help but to smile back at him for some reason.

"Hey Rusty,what are you doing here?"I asked then Rusty looked at the forest then looked at me and gave me a confused look.

"I wish I could go to the forest,I heard there are four groups of wild cats they are fierce and free,"I said then Rusty had an interested look in his expressions.

"That does sound interesting,"said Rusty then I couldn't help but put my head on his then his eyes got big."umm...Mako,"said Rusty then I got my head off of his and he went back to his owner's house and I continued to stare at the forest.

It's been a week and I kept staring at the forest then I just jumped out of the fence and I ran twords the forest. When I was inside the forest I felt free and I felt as if I belonged here.I explored a little bit of the quiet forest then I heard a voice.

"Why are you in Thunderclan territory?"asked a large brown tabby tom with torn ears and a scar on his muzzle,then I saw a little black tom with a white patch ***who looks a lot like me.***

"well I just wanted to be apart of a clan,"I said then the brown tabby's eyes got big then he laughed at me.

"You really think a Kittypet like you would want you can be a clan cat, how adorable,"he said then he said something to the little black

tom then he pounced on me and bit me neck.

"get off of me!"I yowled then I ran sideways and knocked the little black tom against a tree hard then he let me go and I looked at the brown tabby.

"Interesting,you have some strength of a wild cat,"he said then I saw a Grey she-cat with white tips on her ears,black paws,one blue eye, and one green eye come up too him.

"Tigerclaw!"the she-cat yelled then the brown tabby looked away from me to look at the she-cat then he gave her a welcoming smile as if he knows her.

"hello there my dear Lilyflower,"said Tigerclaw as he looked at the she-cat then Lilyflower came up to me and she smiled at me which made me feel a bit better.

"are you all right kit?"she asked me,I nodded then she picked me up by the neck and started to walk.

"We should go back to camp Tigerclaw,"said Lilyflower then Tigerclaw got the little black tom up and they started to walk.

When we got to the camp I saw a white tom with bright yellow eyes walk up to us and greeted us.

"Welcome back,"he said with a warm welcoming smile that made me a little nervous but welcomed.

"thank you Whitestorm,"said Lilyflower then the both of them were talking I walked around the camp and I saw a blue-grey she-cat with silver tinged around her nose talking to a white she-cat with brown and ginger spots on her body, and orange eyes.

"H-hello there,"said a voice then I turned around to see the little black tom and I kinda couldn't help but hiss at him then I walked away from him.

"Hey there newcomer,"said a very energetic Grey tom with a dark gray stripe that goes down his back,and brown eyes."my name Greypaw,"he said then I smiled at him.

"I am Mako,"I said then I saw Greypaw glance at my Black Collar and he looked at me.

"you must of been a Kittypet,"said Greypaw as he looked at me.

"what is a Kittypet?"I asked in curiosity then he giggled a bit.

"a Kittypet is a twolegs toy,"he said then I finally felt like I didn't want to be a house pet.

"well can you please show me around,"I asked then Greypaw nodded and started to show me around.

After Greypaw showed me around Thunderclan I felt like I've been here before but I just can't remember.

"How did you like the tour?"Greypaw asked me then I smiled.

"I loved it a lot,"I said while jumping around and when I stopped I saw Greypaw smiling at me.
